K.B.N Junior College | Intermediate: MPC | March 2020 | 8.98

St. Anthony's R.C.M Girls High School | SSC | April 2018 | 8.8

INTERNSHIPS

- Successfully completed my Internship in CodSoft as a Web Development Intern for a period of 4 weeks.
- > Successfully completed my Internship in **Pantech E Learning** as an android Development Intern for a period of 8 weeks.
- Successfully completed my Internship in VXL IT Solutions as a Java Full Stack Development Intern for a period of 5 weeks.
- Successfully completed my Internship in KodNest as a Python Full Stack Development Intern for a period of 8 weeks.

MAIN PROJECT

Banking Bridges: Connecting Users to Digital Finance through Django.

- **Objective:** This Django-based Online Banking System seamlessly connects users to digital finance, offering a range of account types like Current and Savings accounts. It facilitates efficient deposit and withdrawal management with real-time balance updates and transaction reports featuring date range filters.
- Technologies Used: Frontend (HTML, CSS, JavaScript, Bootstrap), Backend (Python, Django), Database.
- **Role:** Spearheaded a Python Full Stack project, allocating tasks and gathering critical data from diverse sources; boosted team productivity by 40% and reduced project completion time by 25%.

Currency Converter at Infotact Solutions.

- Objective: Developed a currency converter application that allows users to convert currencies in real-time.
- **Technologies Used**: Frontend (HTML, CSS, JavaScript), API Integration.
- **Role**: Led the project, designed and implemented the user interface, and integrated the currency conversion API during my internship at Infotact Solutions.

Password Generator at Infotact Solutions

- Objective: Created a password generator tool that generates strong, secure passwords for users.
- Technologies Used: Frontend (HTML, CSS, JavaScript).
- **Role:** Led the project, developed the logic for generating passwords, and designed the user interface for ease of use during my internship at Infotact Solutions.

SOFT SKILLSET

- Communication
- Interpersonal Skills
- Teamwork
- Problem-Solving skills
- Adaptability
- Time Management

ACHIEVEMENTS
